Professional Summary

With over 12 years of experience in web hosting, WHMCS development, and server management, I've delivered 800+ successful projects with 500+ five-star reviews. Experienced in automation, security, and scalable hosting solutions.

Experience

- | | |
|-----------------------|---|
| 2023 - Present | ElySpace - Technical Support Head
Architected and built the entire hosting environment, developed custom WHMCS modules, and established seamless client onboarding and support workflows. |
| 2021 - 2023 | Nuco.Cloud - Technical & Backend Manager
Developed WHMCS game-server provisioning modules, managed client and server support, and maintained backend automation for dynamic slot scaling. |
| 2018 - 2021 | RightForge.com (USA) - Backend & Server Admin
Managed backend support for 1,000+ clients, built custom WHMCS integrations, scripted server automation, and executed full system recoveries. |

Education

- Polytechnic Diploma in Computer Science & Engineering**
- Completed 2016
- B.Tech in Computer Science**
- Completed 2020
